4th November 24

Dear Parent/Carer

In year 2, we are learning about animal habitats and food chains. To support and enrich the children's learning we will be **attending a workshop at Weston Park Museum on Thursday 28th November** looking at the habitats of a variety of creatures. Children will enjoy seeing real creatures up close and discuss why they make their homes where they do. The children will then create a theatre backdrop for their animal hand puppets and perform a puppet show which explores where the animals live.

The trip is for the **whole school day** and we will **travel to the museum by bus**. We will be leaving school at 9am and will be back in school by the end of the school day. To cover the cost of the trip we will require a **voluntary contribution of £9.30 to enable the trip to go ahead**.

This will need to be paid using 'Parent pay' by Tuesday 26th November. Please note no money can be accepted in school. If you already have an account, you will be able to select and pay for this trip and give permission, if you do not, then you will need to go to the school office to create an account.

On the day, please ensure your child is in full school uniform, has sensible shoes and a coat in case of bad weather. School will provide a packed lunch for your child however if you wish to provide your own you may.

Yours faithfully,

Miss Rosewarne and Mr Wilkins
